ABOUT
CG6 TECHNOLOGY CONSULTING

CG6 Technology Consulting offers advisory services for business leaders and technology teams. President and Consultant, Tad Hamilton, has 30+ years' experience in designing, planning, operating and leading communications and technology operations. These operations include the military, government, manufacturing, telecommunications, and other industries. Tad enjoys collaborating, streamlining processes and leveraging technology to improve business operations. He earned a Bachelor of Science in Computer Science from the University of Mississippi and served as a Signal Officer in the United States Army. Centrally located in Mississippi, CG6 Technology Consulting provides services throughout the Southeast.
